

REMARKS

Applicants submit these amendments which direct the application exclusively to a single set of method claims without any change in the scope of the allowed claims. Claims 6, 11, 18, and 24 were previously cancelled. Applicants have canceled claims 1-5, 7-10, 12-17, and 25-30. Applicants reserve the right to pursue these canceled claims in a continuation application.

Applicants request that these amendments be entered in accordance with MPEP §714.16. Applicants submit the enclosed amendments to cancel non-method claims and to the title and abstract to conform to the type of claims remaining. Applicants note that entering of these amendments is within the discretion of the Examiner because cancellation of claims from the application does not require approval from the Examiner's supervisor. MPEP §714.16(d).

Respectfully submitted,

/Brian C. Kunzler/
